RESOLUTIONS ON THE DEATH
OF
GEORGE J. JOHNSTONE

George J. Johnstone, a former director and Vice-President of this association, passed on December 22, 1936.

Though his birthplace was Chatham, New Brunswick, 58 years ago, his home and loyalty has been in Cambridge for many years. Twenty-five of these years have been with the Billings & Stover Co., and he was a partner in this firm at the time of his death.

Mr. Johnstone was an earnest member of the Masonic Order, and a member of The Boston Association of Retail Druggists, and Boston Druggists Association.

Quiet and retiring, he was nevertheless keenly interested in Harvard Square, and besides his immediate family consisting of his wife, two daughters and a son, he leaves a host of friends.

We, his fellow members of the Harvard Square Business Men's Association, have therefore deemed it fitting to express our grief in the loss of a true friend, a good neighbor, and a kindly fellow worker for Harvard Square.

For the Committee

Frederic A. Olson

March 16, 1937

The directors held a meeting this morning at the rooms of the Cambridge Trust Company.

President Olsson presided and Directors Cole, Phippen, Sage, Bowditch, Galvin and Cazmay were present.

Mr. Howard F.L. Hart was appointed on our Advertising Committee to fill the place of the late William M. Rice.

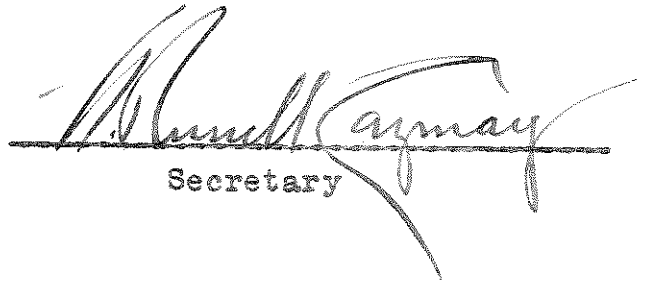

Mr. Sage spoke in regard to the parking meter hearing to be held this morning at the State House. The directors voted unanimously in favor of the pending bill to permit parking meters in the state and to authorize cities and towns to borrow for the equipment. Mr. Sage was authorized to so notify the committee at the hearing. It was voted to invite the parking meter people to show their equipment at our association meeting to be held on March 17.

The secretary read a communication from the Russell E. Hoyt Post, No. 229, V.F.W. relative to their Patriot's Day Exercises in which they asked that we appoint six of our members to serve on their general committee. The directors felt that in view of the fact that we were only a sectional organization that this affair was outside of our scope and the matter was laid on the table.

It was voted to hold our April dinner and meeting at the Hotel Commander.

The matter of the city owned land in old Brattle Square was discussed in relation to having our association either purchase or lease same but after the discussion no action was taken.

We adjourned at 11:26 A.M.

BOOST YOUR NEIGHBOR

That each may know how the others live,
These few lines of rhyme the answer'll give.
We begin at the top, where a roof may leak,
If such a thing happens, just holler for Peak.
When he's through, you'll find places needing
new paint.
Fred Hayden will put it wherever it ain't.
If plumbing goes blooey, There's three you can
call,
Then your worries are over, they'll attend to
it all.
If pictures need cleaning, or maybe new
frames,
There's two you can call on, I'll not mention
names.
For carpentry demanding both hammer and
nails.
Lavash will see to it, his work never fails.
For trouble with furniture, be it new stuff or
old,
Worcester's the party, so at least I've been
told.
For candles and ices, I could give a long list,
But it would not be fair to say which I think
best.
Insurance, all kinds, also renting and sales,
There's a dozen or more members, with their
quaint fairy tales.
To forget our bankers, would surely be rash,
For they're the fellows we turn to when need-
ing some cash.
Then there's butchers and grocers, and res-
taurants, too,
Where you can get fancy dishes — or even a
stew,
And the dentists, so many, a good company'd
make,
But we need 'em, you betcha, when teeth start
to ache.
Then there's one should be head, though he's
best at the foot.
So with feet on the blink, then for Cogan you'll
root.
If your watch is all wrong, and you lost out on
a date,
There's three who can fix it, without too long
a wait.
If its a governor you want, we can furnish him
too,
Permit me to point our Charley Hurley to you.
See one of our lawyers, if you'd make a be-
quest,
Then yell for Frank Wyeth, he'll attend to the
rest.
Don't forget to send flowers, Covin, Ryan or
Becker,
Can supply a nice flat piece, or a huge triple
decker.
If a stone is required, just telephone Sands
He'll supply you the kind that everlastingly
stands.
Now to be quite impartial, we must mention
the Coop.
Where everything's sold. So good luck, Boop
A Doop!
P. S.—Now if anyone's forgotten, let him rise
up and yell and boldly to the member's his own
business tell.

March 17, 1937

The association held its regular monthly meeting this evening at the Hotel Continental. There were 55 members and guests present.

President Olsson presided at the business session held after our dinner and he read a poem and a short story, both of which were well received.

The records of the previous meeting were then read and approved.

Mr. William Boland spoke for the special bowling committee. Mr. Edwin R. Sage talked on the pending bill in the state legislature in relation to the installation of parking meters etc. and then introduced Mr. W.A. Hall, a traffic engineer, who spoke most clearly on the subject and he quoted from many city officials throughout the country extolling their value. He claimed the meter system would enable busy shopping places get a parking shift three times greater than the present free method. Mr. C.E. Flagg was also present with a company meter and permitted Mr. Hall to explain its various mechanisms. No action was taken at the conclusion of his talk.

The chair then introduced our speaker of the evening, Mr. Leonard F. Whidden, an official of the Railway Express Agency, who talked to us on the subject of "Carriers of Trade" and he gave us a graphic description of the great development in the transportation of merchandise from its infancy to the present time. Both he and Mr. Hall were voted a rising vote of thanks for their interesting talks, on motion by Mr. Bowditch.

Harvard Sq. Business Men Enjoyed Golf

Rain and dark clouds could not stop the Harvard Square Business Men's annual outing Monday at the Belmont Country club, when golf was enjoyed, prizes won, and an evening spent in dining and being entertained. It was one of the most successful outings sponsored by the Association, with near 125 present.

Golf held the spotlight for the day, since most of the members are golf enthusiasts, and most of them excellent players. In class A, the winner was Eliot Clemmons, runner up, Frank Lynn; class B, winner, J. Wright, runner-up, Herbert Olsson; longest drive, Tom Baldwin, first prize, and Frank Simpson, second; nearest to the pin, Carol Bolter, first prize, and Ernest Tullson, second; booby prize,

Jack Garvey; kicker's tournament, J. Wright.

The putting contest cup, coveted by many players, became the property of Niles Godding after the tournament was over, and prizes given out, as reward for his part of the outing.

The evening was enlivened by singing, dancing, violin and instrumental solos by professional musicians and dancers, all provided for the business men by Stanley Sumner, manager of the University theatre. There were no formal speeches, no lengthy talks to detract from the flavor of the banquet served to members—but with his usual gusto, President Dr. DeWitt kept order and called out the eating signals.

June 28, 1937

The association held its annual get-to-gether outing at the Belmont Country Club in Belmont.

We had the largest gathering to date there being 111 present.

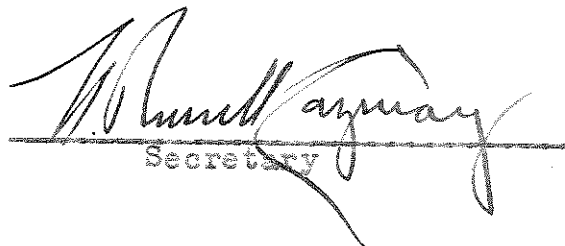

Mayor John D. Lynch, Chief Leahy and many members of the police department were our guests.

Golf was enjoyed by many in the afternoon and after a delicious chicken dinner, President DeWitt introduced Mayor Lynch and Police Chief Leahy, who made short addresses. Chief Leahy was so favorably impressed that he joined our association.

The golf and putting prizes were then given out by the Golf Committee consisting of Herbert Olsson, George Hickey, Lawrence Bradshaw and John Simpson Jr.

There was no business meeting.

The balance of the evening was enjoyed by an entertainment furnished through the courtesy of the management of the University Theatre.

Secretary

Mr. President:

The question of store hours, that is, the opening and closing hours of the store have become quite a problem to many of our members. I would like to move that the President be empowered to appoint a committee of three to accept recommendations from the various business firms in the Square as to uniform opening and closing hours. This committee will canvas the various members of the particular trade and try to achieve a uniform closing hour desirable to the majority in this particular ^{LINE} of business. The committee also is to coordinate closing of the stores in the square on the various holidays as they occur throughout the year.

This committee is necessary so that the independent store keepers may have the backing of the association in trying to bring outside owned businesses into line with the local stores.

I urge immediate consideration of this motion, and upon acceptance by the association I request that this committee be appointed tonight as there are several matters to come before it.
