Harvard Square Business Association Minutes

February 6, 2008

In Attendance: Tod Beaty, Richard Carbone, Mary-Catherine Deibel, John DiGiovanni, Jim Gray, Michael Guleserian, Dan Hogan, Renee Inomata, Rory Keohane, Kari Kuelzer, Cindy Kuppens, Jonathan Miller, Jerry Murphy, Jim Smith, Rachael Solem and Martha Sullivan. (Denise Jillson, Robin Lapidus and Matt Frank from the HSBA office)

Guests: Carolyn Najarian (Citizens Bank), Terrence Smith (Cambridge Chamber), Katherine Rafferty (Mt. Auburn Hospital), Suzanna Krmzian (Cambridge Savings Bank), Jinny Nathans (Cambridge Historical Society), Niamh Dwyer (The Harvard Hotels), Jeff Mayersohn (Harvard Bookstore), Paul Lee (Hong Kong Restaurant), Daniel Andrew (Unofficial Tours), Perla Brito (TistiK).

President John DiGiovanni called the meeting to order at 9:06 am with introductions.

The Minutes of the January board meeting were approved as written.

Treasurer: This being the first board meeting of our fiscal year, Jim Smith had little upon which to report. The finance committee's recommended budget for 2009 will be presented at the next board meeting. John thanked Hammond Real Estate for being the first company (of the original investor group) to have donated again this year. "We are counting on the continued and voluntary support of our investors as well as membership growth to close our operating gap." (This begins our first year without the commitment of funds by investors or Harvard.)

Committee Reports:

Membership: Mary-Catherine was delighted that she had a "full complement" at her last meeting because they scrutinized a 2 page list, prepared by Denise, of target prospects. By the meeting's end, the list with 80 names on it had been divided. The plan is for the committee members to make the calls and follow up with letters; then the HSBA office will arm-twist. Jim Gray says he'd be happy to make some calls.

Retail: "It was a small, yet enthusiastic group," remarked Jerry Murphy. "We re-affirmed our event focus and hope to coordinate some special evenings with our restaurants." Jerry's group is planning to start small—street-by-street—"especially near restaurants with beepers." It seems that diners make their reservations in person, take the beeper with them and then go shopping nearby. Perla says it's helped her evening business at TistiK.

Nominating: Jerry Murphy's committee has met numerous times and has been able to assemble a slate with good balance: old and new members in wide range of professions in different locations. "We had more nominations than ever before!" Jerry commented proudly. We will be voting on the slate at the annual meeting at month's end.

P.R. and Media: Robin has been up to her usual hard work, keeping the Square in the news with a Chinese New Year Parade ending at the Hong Kong, the winter carnival (Jan. 15- Feb. 15) with its hot chili cook-off on an 18 degree day, the green eggs environmental breakfast, and various Inauguration, MLK and Valentine's Day events. John DiGiovanni enticed his girl's hockey team to display their skills on the Charles' skating rink for the camera. Channel Five's Jorge Quiroga brought his news crew because "we have something different." Robin says, "Harvard Square is a happening—bring it to the streets—place for big events." John added thoughtfully, "For the first time, because we can afford great staff, we are able to capture authentic ideas and turn them into exciting events."

Restaurant: Not much to report. Since we are not raising our dues, the committee hopes that restaurateurs will voluntarily increase their dues because of what the HSBA has done for them. Wicked Local recently promoted the Square on its website.

Internet: Tod Beaty, referring to the Google Analytics report, noted that visits to our site were very steady in the month of January, with restaurants responsible for nearly 22% of all the pages viewed. And although "Harvard Square" is still the top keyword, the other popular phrases all included the word restaurants. 75% of our visitors are still "new" to the site which had nearly 25,000 visitors in January. The committee will be meeting next week to discuss ideas on how we might use this information to create revenue for the HSBA.

Other Business:

- Denise escorted and introduced Mayor Simmons around the Square for three hours; they were well received by everyone. Several return visits have been scheduled. John hopes to implement these personal tours on a consistent basis with other councilors and officials.
- We thanked Denise for bringing Rotary back to the Square—City Manager Bob Healy was the most recent guest speaker to a standing, room only crowd.
- Kari Kuelzer attended Councilor Davis' Health and Environmental committee meeting where growing fruits and vegetables locally and an agricultural fair were discussed.
- The MBTA's plan for a new elevator on Brattle Street is up for review again.
- John is contemplating the creation of an ad hoc committee to begin planning our 100th Anniversary (2010)
- President Faust and Bob Healy have been spotted sporting our bright red "I heart/recycle Harvard Square" bags.

Meeting was adjourned at 10:02 am

Respectfully submitted,

Tod Beaty, Secretary

Honorary Board Member
Sheldon Cohen
Former HSBA President

Dear HSBA Member:

On behalf of the Harvard Square Business Association (HSBA) board, staff and members, please allow me to thank you for your continued support and commitment to grow our association. Since joining the HSBA in April of 2006, we have seen membership almost double from 180 members to 321.

As we get ready to welcome the spring season, in this period of economic challenge, please know this...we value your membership..... and have not increased our dues in 2009. We hope that each of you will be with us this year and we will do everything we possibly can to help those who are having difficulty. Dues invoices have been sent and as noted in our letter, if you need to pay in installments, those arrangements will be made.

Since 2006, we have enjoyed the benefits of a very generous matching 3 year financial commitment from Harvard University intended to jumpstart a new era for the HSBA. Private donors, and the University, were the catalysts in funding the functional improvements of Harvard Square and helped advance the mission of the Association which is to promote business, increase public awareness, provide good stewardship and build a renewed sense of community.

Membership, reinvestment funds and sponsorships have provided the capital for successful infrastructure, promotional and marketing programs resulting in unprecedented press coverage for the Square.

Significant achievements include:

- **Launch of the newly designed www.harvardsquare.com**
- **Launching a wireless mesh network for Free Public outside Wi-Fi Access which received world-wide press coverage.**
- **Purchasing and maintaining over 125 Victorian Flower Baskets**
- **Purchasing and maintaining hanging banners that promote Harvard Square events.**
- **Successfully working with the Cambridge License Commission for a change in policies which resulted in more outdoor and late-night dining in Harvard Square.**
- **Creating new and incredibly successful events like the Bookish Ball and Make Music/Harvard Square and resurrecting old events like Bastille Day on Holyoke Street.**

Our key objectives for 2009 include:

- **Continue to draw media attention to Harvard Sq. to promote customer visits in this challenging economy.**
- **Ensure continued participation in special events around the Square.**
- **Promote the shared interests of the business community.**
- **Advocate for continued funding of the City's multi-phase streetscape improvement plan.**

Please take the time to walk through the Square; whether strolling on Church Street with its lovely hanging winter baskets, or along Winthrop Street with its beautiful, colorful flower-filled patios, or reading our events banners hanging on the Washington Posts, or seeing students using their laptops in Winthrop Park, you will see that we have made great strides here in Harvard Square. It is clear that when we all work together; local, regional and national companies, along with large and small property owners, positive change is possible.

Understanding that our significant reinvestment funds have ended, last week when the 2009 dues invoices were sent, we asked those of you who can afford to do so, to make a supplemental contribution appropriate to your type and scale of business. Your support will ensure that we will continue our work to maintain Harvard Square's position as a world-class academic, cultural, dining, and shopping destination.

As we end our third and final year of our donor's multi-year commitment, I want to thank you for the incredible opportunity you have given me and the staff here at the HSBA to make a difference. I thank you for the opportunity to serve as your executive director. If you have any questions, problems or concerns, or if I can assist you in any way, please don't hesitate to call me. I can be reached at 617-491-3434. I look forward to hearing from you and am looking forward to the challenges of 2009 and our centennial celebration in 2010.

Sincerely,

Denise Jillson
Executive Director

Hello HSBA leaders,

I just wanted to share with you the amazing success the Harry Potter event brought for the Square. UNO Harvard Square was up 52% versus prior year due the turn out from the free concert and book release. I just wanted to thank everyone at the HSBA for the great work all of you have been doing. Please continue your great work, in uniting the Square, and giving us the exposure and support necessary to be a "Best in Class" destination site for the Boston/Cambridge area. Keep it up, you guys ROCK!!

Thanks you
